Subject: RE: Did Ute Mtn Ute receive emails on Dewey?

The NRC SEIS states that Powertech does plan to send the 11e.(2) waste to White Mesa. Douglas had a conversation with Scott about that back when we were consulting with the Tribes during 2016.

If so, please forward to me what was sent to them. If not, do we know why? Scott's concern is that waste from the site may eventually go to White Mesa.

Thanks
D
